Re: Docket No. CERCLA-07-2016-002: Unilateral Administrative Order for  
Removal Action

Dear Mr. Mahler:

As you know, Paragraph 59 of the Unilateral Administrative Order ("UAO") referenced in the subject line above requires each Respondent to submit a records retention certification within 30 days of the UAO's effective date. As such, this letter constitutes a certification on behalf of Bridgeton Landfill, LLC ("Bridgeton") and Rock Road Industries, Inc. ("Rock Road") that neither Bridgeton nor Rock Road has, to the best of their knowledge and belief, and after thorough inquiry, altered, mutilated, discarded, destroyed, or otherwise disposed of any Records (as that term is defined in the UAO), other than identical copies, relating to their potential liability regarding the Site (as that term is defined in the UAO) since notification of potential liability by the United States. Further, Bridgeton and Rock Road hereby certify that each has fully complied with any and all EPA requests for information regarding the Site pursuant to Sections 104(e) and 122(e) of CERCLA, 42 U.S.C. §§ 9604(e) and 9622(e), and Section 3007 of RCRA, 42 U.S.C. § 6927.
